Dear Friend,

Imagine growing up in a place where there is no stable health care. Where a toothache means you'll likely lose that tooth; where intestinal parasites are common and stunt your children's growth; where malnutrition and common medical illnesses in your community go unchecked. The Rasin Foundation is working to change all that in rural Haiti through sustainable and local efforts.

The Rasin Foundation is a Boston-based non-profit [501(c)3] organization that launched the Petite Rivière Community Health Center after the 2010 earthquake. The health center's full-time nursing and support staff treat hundreds of patients each month to try to fight medical and dental problems that – without them – would mostly go on untreated.

On October 1, 2017, the Rasin Foundation will hold its 7<sup>th</sup> annual gala at the Shaw's Center in Brockton, MA. We hope you will attend this evening of solidarity for Haiti. We also need donors who are able to support our efforts financially or with items or experiences for the evening's auction. With over 150 guests attending, this is a great way to show your support for the Haitian community, both here and in Haiti, and donations of all sizes are truly appreciated.

**Patrons** (\$10,000 and above)

Patrons will receive recognition in the fundraiser book, at the fundraiser event, and on our website, as well as eight complimentary tickets to the event with a reserved table. Patrons will also have the opportunity to address the guests at the fundraiser.

**Benefactor** (\$5,000-\$9,999)

Benefactors will receive recognition in the fundraiser book, at the fundraiser event, and on our website, as well as eight complimentary tickets to the event with a reserved table. Patrons will also receive a gift package from Haiti.

**Friends** (\$1000-\$4,999)

Friends will receive recognition in the fundraiser book, at the fundraiser event, and on our website, as well as four tickets to the event at a reserved table.

**Sponsors** (\$500-\$999)

Sponsors will receive recognition in the fundraiser book and on our website and a complimentary pair of tickets to the event.

Your donation this year will support our clinic staff, the expansion of the clinic's activities, outreach into the community and especially the schools, as well as efforts to improve the local infrastructure. To meet our goals, we hope to raise \$50,000. Learn more about our work, make donations, and get tickets for the gala at [www.rasinfoundation.org](http://www.rasinfoundation.org).

I hope we can count on you to help us continue to serve this community. Haiti has a rich and vibrant history and culture. With your contribution, we can help it move one step closer towards health, recovery, and self-sufficiency.

Please feel free to contact me at [Jeff@rasinfoundation.org](mailto:Jeff@rasinfoundation.org) or directly at 617-650-7034.

Thank you so much for your consideration!

Sincerely,
